St. Benedict's News

'With Jesus we learn, love and laugh'

Dear Parents/Carers,

Park Away Day

Thank you for your continued support with our park away days. Our next one will be **Friday 5th May**. If you live close to school, you could leave your car at home and walk. If this is not possible, you could park away from school and walk the rest of the way with your family to continue to help our environment. For this week's chat, we would like you to tell the person you're walking with something that you really like about them. Happy walking!

Coronation Celebration

On **Friday 5th May** we will be marking the Coronation of King Charles III. Children may wear red, white and blue and can even come in wearing their own home-made crown.

Eurovision Festival

As Eurovision is taking place in our own city this year, we will be celebrating it in school on **Friday 12th May**. Children may come in dressed as a glittering pop star or even a Eurovision star from the past. We will be having our own concert where children will perform songs from previous Eurovision competitions. A letter has been sent home electronically containing details of the songs each class will be singing. Please help your child learn these at home.

Choir Eurovision

Well done to our Choir who took part in the mini Eurovision at the Tung Auditorium in Liverpool University. They sang in German and Ukrainian and were entertained by other choirs who sang in different languages. It was a fabulous experience for all.

Year 1 football at Finch Farm

Well done to our Year 1 boys who played in a football tournament at Finch Farm earlier this week. They worked their socks off and came third.

Primadonna moving

We wanted to share the news that Primadonna, our local school uniform/ladies fashion shop, is moving from the Marian Square to Carr Meadow Hey on **Monday 15th May**.

Attendance

We will provide a regular update on the weekly attendance figures and attendance to date for each class.

The information below shows how attendance can affect your child's future progression.

- Above 97%: Less than 6 days absence a year Excellent attendance! These young people will almost certainly get the best grades they can, leading to better prospects for the future. Pupils will also get into a habit of attending school which will help in the future.
- 95%: 10 days absence a year. These pupils are likely to achieve good grades and form a habit of attending school regularly. Pupils who take a 2 week holiday every year can only achieve 95% attendance.
- 90%: 19 days absence a year. The Government classes young people in this group as "persistent absentees", and will be almost impossible to keep up with work.

	Weekly Attendance	Attendance to date
