St Benedict's Catholic Primary School

Equality & Diversity Policy

Last Reviewed: November 2023

Next Review: November 2024

Introduction

St. Benedict's Catholic Primary School is an inclusive school where we focus on the wellbeing and progress of every child and where all members of our school community are of equal worth.

We believe that the Equality Act 2010 provides a framework to support our commitment to valuing diversity, tackling discrimination and promoting equality and fairness.

We recognise that these duties reflect international human rights standards such as the UN Convention on the rights of the Child.

Vision Statement

St. Benedict's is a vibrant Catholic Voluntary Aided School for children aged five to eleven with an attached Nursery for three and four year old children. It is situated in Netherton, Merseyside, in an area of some deprivation. It is one form entry, with a maximum intake of 210 in the school with an additional 30 places in the Nursery.

Our vision and Aims for Equality and Diversity

At St. Benedict's Catholic Primary School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers and other stakeholders irrespective of race, disability, gender, sexuality, religion or belief or socio economic background. We aim to develop a culture of inclusion and diversity in which all stakeholders connected to our school feel proud of their identity and are able to participate fully in school life.

The achievement of pupils will be monitored by race, gender and disability and we will use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions diversity and respect for all.

At St. Benedict's Catholic Primary School we respect difference, value diversity and embrace equality and fairness for all.

Legal Requirements

St. Benedict's Catholic Primary School recognises that the Equality Act 2010 introduced the Public Sector Equality Duty (PSED) which applies to all public bodies including all schools. This PSED has two parts; the General and the Specific. Within the General Duty we recognise that we are required to have 'due regard' to the need to:

Eliminate unlawful discrimination, harassment and victimisation and any other conduct prohibited by the Act.

Advance equality of opportunity between people who share a protected characteristic and those that do not.

Foster good relations between people who share a protected characteristic and those who do not.

Having 'due regard' means we must consciously think about the three main elements of the general duty as part of decision making, developing and reviewing our policies and on how we deliver our services.

With regards to the Specific Duty St. Benedict's Catholic Primary School recognises that we are required to:

Publish information annually to demonstrate compliance with the PSED.

Publish equality objectives every 4 years.

We are mindful that all information will be made accessible to the public.

Guiding Principles regarding Equality/Good Practice

In working towards fulfilling our legal obligations under the Equality Act 2010 and integrating equality within our school ethos, we are striving to adopt a whole school approach. We have consulted, involved and listened to a range of opinions from people from broad and diverse backgrounds which reflect the protected characteristics as outlined under the Equality Act.

From this activity; which continues to be on going, we have developed the following seven key principles to our approach to equality.

1. All learners are of equal value, whether or not they are disabled, whatever their ethnicity, race or culture, whatever their gender or gender identity, whatever their sexual orientation or whatever their religious or faith background.

2. We recognise, respect and value difference, and understand and promote that diversity is a positive. We take into account difference and strive to remove barriers and disadvantages which people may face, in relation to race, disability, gender, religion and

belief and sexual orientation. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit at our school.

3. We foster positive attitudes and relationships. We actively promote positive attitudes and mutual respect between groups and communities who are different from each other.

4. We foster a shared sense of cohesion and belonging. We want all members of our school community to feel a sense of belonging within the school and the wider community, to feel that they are respected and able to participate and contribute fully in school life.

5. We observe good equality practices for our staff. We ensure that policies and procedures benefit all employees and potential employees in all aspects of our work, including recruitment and promotion, and in continuing professional development.

6. We have the highest expectations of all our children. We expect that all pupils can make good progress and achieve to their highest potential.

7. We work to raise standards for all pupils, but especially for the most vulnerable. We believe that improving the quality of education for the most vulnerable groups of children raises standards across the whole school.

Arrangements, Roles and Responsibilities within our School

The guiding principles and equality objectives for St. Benedict's Catholic Primary School will be referenced in the School Development Plan. They will be reviewed annually and refreshed on a four year cycle.

Curriculum information will also be evaluated by looking specifically at equality groups in addition to the standard analysis conducted by the school and adjustments made as appropriate to ensure that those pupils within a protected characteristic group are supported positively.

All other data relating to whole school monitoring will encompass scrutiny of equality information so that those groups are supported positively.

When reviewed each curriculum subject or area will ensure that teaching and learning will reflect our guiding principles, as set out in this document.

Monitoring, Reviewing and Assessing Impact

St. Benedict's Catholic Primary School's equality policy is linked to the school development plan and includes targets/objectives determined by all school stakeholders for promoting equality. The policy will be regularly monitored and reviewed by staff and governors to ensure it is effective in eliminating discrimination, promoting access and participation, equality and good relations between different groups, and that it does not disadvantage particular sections of the community. Any patterns of inequality found as a result of impact assessment will be used to inform future planning and decision making. The named member of staff and governor responsible for equality will monitor specific outcomes.

All reports will be given to governors and the Head Teacher will provide monitoring reports for the governing body via the Head Teacher's report, preferably termly, but at least once a year.

This policy links to other policies and in general the principles of equality will apply to all other school policies.

Concerns and Complaints

In the first instance any concerns or complaints about the implementation of the Equality policy should be addressed by following the guidance set out in the school's complaints policy. Monitoring complaints is also another way of gathering information to see whether we are meeting our equality duties. We will report on complaints annually and on action taken.

Equality Information

We maintain confidentiality and work to data protection principles. We publish information in a way so that no pupil or staff member can be identified.

We will update our equality information on an annual basis.

Disability Access Plan

St. Benedict's Catholic Primary School has a disability access plan (attached as appendix 1).

The key objective of this plan is to reduce and eliminate barriers to access to the curriculum and to full participation in the school community for pupils, prospective pupils and other stakeholders with a disability.

This plan is reviewed annually by the governing body after consultation with staff, parents and pupils.

In line with our responsibility under the Specific Duty of the Equality Act, St. Benedict's Catholic Primary School has after consultation with all stakeholders, established our equality objectives and will highlight how we intend to report and review the objectives.

Equality Objectives

Our equality objectives are:

Objective 1: Our objective is to raise awareness of diversity of culture and religion.

Why: As pupils know too little about different cultures and lifestyles to enable them to understand the diverse nature of British society.

How: We do this through assemblies, visitors, visits, global links and networking with other schools that demonstrate excellent practice.

Outcome: To raise awareness of these protected characteristics and potentially reduce the number of prejudice related incidents.

Objective 2: Our objective is to help to foster good relations between our older and younger generations.

Why: To provide both groups with the opportunity to meet and get to know each other whilst learning useful skills.

Outcome: To ensure our pupils are involved in local community events, e.g. choir visits to residential care homes locally. To invite grandparents and local community volunteers to attend school events and carry out voluntary work in school.

Reporting and reviewing the objectives

The review of the progress on our objectives will take place annually and will help inform how the school sets new priorities and new action plans for the next objectives every four years.

Publication

The school's equality objectives will be published on our website and will be made available both electronically and in a hard copy format.

Our equality objectives will be

Published on our website.

Included in our school newsletter.

Discussed regularly at staff meetings.

Discussed regularly at governors meetings.

Discussed at school council.

Made readily available to all stakeholders.

St. Benedict's Catholic Primary School adopts a whole school approach to equality and diversity, and considers it important for pupils to learn about equality and human rights. We adhere to the Equality and Human Rights Commission(EHRC) statement:

'To reap the full benefits of equality and human rights education, it is essential to teach topics in an environment which respects the rights and differences of both students and teachers. Without an equality and human rights culture within the classroom and school as a whole , learning about these topics can at best appear irrelevant, and at worst, hypocritical. The respect and tolerance it teaches will help staff and pupils create a healthier, happier, fairer school culture and could lead to reductions in bullying and other negative behaviour, and improvements in attainment and aspirations'
