Big Lent Walk

World Down Syndrome Day #LotsOfSocks

Friday 21st March is World Down Syndrome Day with the theme '*All about support*' - everyone needs support sometimes. The support that we may need will be different for every person. We are celebrating the day in various ways including asking everybody to wear different coloured socks on the day to highlight the triplicate number of the 21st chromosome in people with Down Syndrome. The specific Down Syndrome colours are blue and yellow but children can wear other colours if they would like to. We will be raising awareness in class with a number of activities and will also have a special assembly.

Red Nose Day

On **Friday 21st March** it is also Red Nose Day. As this falls on the same day as World Down Syndrome Day children are asked to wear their uniform with different coloured socks and bring in a £1.00 donation for the charity. Children will also tell jokes in assembly.

Nursery and Reception trip

On **Friday 21st March** Nursery and Reception class will be visiting The Atkinson Theatre in Southport to see a production of "The Hungry Caterpillar". This is based on a bestselling book that the children have read in school and they loved it! The children will leave school at 12.30 by coach and will return to school at approx. 3.15pm. The cost of the trip is £13.00, payable via our schoolgateway app. Uniform must be worn.

Year 2 trip to Peel Ports and The Albert Dock

On **Friday 24th March** Year 2 are going on a trip to Peel Ports and The Albert Dock as part of their topic on the Liverpool Docks. Children should wear uniform and suitable footwear and bring a packed lunch in a disposable bag with their name on it. The cost of the trip is £10.00, payable via our schoolgateway app.

Fr. Bruce will be in school on **Thursday 27th March** to celebrate the Sacrament of Reconciliation with our Year 4 children. Please pray for them as they continue their sacramental journey.

School photographer

Children's University credits

Attendance

We will provide a regular update on the weekly attendance figures and attendance to date for each class.

The information below shows how attendance can affect your child's future progression.

- Above 97%: Less than 6 days absence a year Excellent attendance! These young people will almost certainly get the best grades they can, leading to better prospects for the future. Pupils will also get into a habit of attending school which will help in the future.
- 95%: 10 days absence a year. These pupils are likely to achieve good grades and form a habit of attending school regularly. Pupils who take a 2 week holiday every year can only achieve 95% attendance.
- 90%: 19 days absence a year. The Government classes young people in this group as "persistent absentees", and will be almost impossible to keep up with work.
